Focus Group - Year 12

Part A. Local youth culture. Perceptions of Difference/Sameness.

Intro: Give a description of the project. Describe the different areas the project is being done in.

1. What's good about living in this area?

What are the good things?

What's not so good? What things do you not like about living here?

What sorts of things are there for yp to do in the area?

Do you do things around the locality - or do you travel. (Where, what kind of things to do you do?)

2. What do you think it would be like for yp living in the other areas (in the project)?

How different do you think their lives would be compared to yours.

3. What are the things that make people different from each other.

What things make the most difference between people.

(age/sex/ethnicity/religion/music/fashion)

What are the things that would be the same?

4. What kinds of things make people popular - what do you have to do to be popular?

(Who are the local heroes/role models.)

Part Two : Brainstorm around language.

1. Good /Bad (Would you also use these words to describe people - if not what words would you use. (Do individual sheets and a group feedback)

2. Right and Wrong

3. Moral/Immoral

4. Respect

5. Values (Expand on this)
